

**Mailer 1: Announcement of the Fest**

If you counted all the notes in a song, the moves in a dance, the ingredients in a meal, and the petals in a bouquet, the resulting number would still fall far short of the nearly infinite number of ties that bind us. That alone would be ample reason to celebrate, but we have so much more.

Today, it is my deep privilege to invite you to Quest Global Fest 2022, an in-person gala event rife (alive) with jubilant merrymaking and abiding gratitude. It is, quite simply, a celebration of us, collectively and individually; a reflection on where we've been and where we're headed; a coming together in fellowship and good cheer.

I do so hope you will join with me in reveling this glorious event.
